

# Three Pillars of Your Firm Foundation

*Do this exercise to know how legal impacts YOUR business.*

## Foundational Legal

Write down all of the relationships you have related to the ownership of your business. This includes, your entity, the government, your tax structure, and your partners.

---

---

---

---

## Internal Legal

Write down all of the relationships you have that work in your business. Those relationship that involve you paying someone for products or services.

---

---

---

---

---

---

---

---

## External Legal

Write down all of the relationships you have in your business. These liabilities come from outside. This list may be longer than the rest. Write everything that touches your business.
